# 11. Browse

The screenshot shows the homepage of Browse AI. At the top, there's a navigation bar with links for "Prebuilt Robots", "Use Cases", "Resources", "About Us", "Pricing", "Login", and a purple "Get Started for" button. Below the navigation, there's a large call-to-action section with the text "The easiest way to extract and monitor data from any website." and a subtext "Train a robot in 2 minutes. No coding required." It includes two buttons: "Get Started" and "What can it do?". To the right of this section is a video player showing a demonstration of the software's interface, which includes various monitoring options like "Monitor Amazon US search results" and "Monitor Google organic search results".

Para extraer info y monitorizar cualquier web (¿tu competencia por ejemplo?)

<https://www/browse.ai/>

# 12. WordTune

The screenshot shows a purple-themed extension for the Chrome browser. The main text area says "Your thoughts in words" and "Say exactly what you mean through clear, compelling and authentic writing." Below this is a yellow button labeled "Add to Chrome it's free". The right side of the screenshot displays a dropdown menu from the extension, which includes a "Rewrite" button and several writing suggestions: "This opportunity interests me.", "I'm thrilled about this opportunity", "I find this opportunity very interesting.", and "I am interested in this opportunity.".

Utiliza la tecnología GPT-3 para recomendar alternativas impresionantes a palabras, oraciones y párrafos.

<https://www.wordtune.com/>

# 13. AssemblyAI

The screenshot shows the AssemblyAI website with a dark background. At the top left is the AssemblyAI logo. To its right are navigation links: Products, Use Cases, Pricing, Enterprise, Developers, and Playground. A prominent purple "Get started" button is located at the top right. Below the navigation, a banner highlights a new transcription model with 11% better accuracy. The main headline reads "Transcribe and understand audio with a single AI-powered API". A descriptive paragraph explains that the service automatically converts audio and video files and live streams into text using AI models for summarization, content moderation, and topic detection. At the bottom of the page are two more purple buttons: "Get started with the API >" and "Contact sales >".

Opuesto a Murf: convierte el contenido de audio en transcripciones con alta precisión.

<https://www.assemblyai.com/>

[www.triunfaconlinkedin.com](http://www.triunfaconlinkedin.com)

# 14. Compose

que genera ideas sobre  
productos y negocios  
<https://ideasai.com/>

# 21. Mirage

The screenshot shows a dark-themed web application. On the left, there's a sidebar with the heading "The AI Powered 3D Playground". It contains input fields for "Harry Potter? Avengers? Minecraft?", "First Name", and "you@gmail.com", followed by a blue "Submit" button. The main area is titled "Create 3D Asset" with a "Private" button. It features a file upload section with an "Upload" button, an "Enter Prompt" field with a cursor, and a "ETA: 3 min" message. Below these are two 3D models: a blue and white character labeled "cd45831b" and a brown, blob-like object labeled "sree". A "Advanced Configuration" dropdown is partially visible. The overall design is modern and minimalist.

Genera modelos 3D  
basados en cualquier  
mensaje. Similar a DALL E-2

<https://www.sheetai.app/>

# 25. Mem

The screenshot shows the Mem workspace interface. At the top, it says "The self-organizing workspace". Below that, a sub-headline reads: "Mem is the world's first AI-powered workspace that's personalized to you. Amplify your creativity, automate the mundane, and stay organized automatically." A "Start for free" button is visible. The main workspace area has a blurred background showing various productivity tools like a calendar, a search bar, and a sidebar with categories like Home, People, Tasks, and Tags.

Para organizar mejor tu trabajo y el de tu equipo  
<https://mem.ai/>

# 26. Notion

The screenshot shows the Notion homepage. At the top, there's a navigation bar with links: Notion, Product, Download, Solutions, Resources, and Pricing. Below the navigation, the main headline reads "One workspace. Every team." in large, bold, black font. A subtext below it says, "We're more than a doc. Or a table. Customize Notion to work the way you do." To the right of the text, there's a black silhouette of a person sitting at a desk, looking at a laptop screen. The laptop screen displays icons for a document, a calendar, and a checklist. Logos for Figma, mixpanel, PIXAR, MatchGroup, and monzo are listed as trusted teams.

Una aplicación de productividad que permite gestionar la planificación de la vida laboral y personal.

# 28. Texta

The screenshot shows the Texta AI writing tool. On the left, there's a sidebar with a search bar and a list of categories: 'Great post', 'How to write better', 'Clarity', 'Engagement', 'Delivery', and 'No issues found'. Below the sidebar is a text area with the heading 'Only 1 click away from your perfect Blog Post'. Underneath the heading is the subtext 'The simplest way to get high-quality SEO-optimized and engaging content for your blog'. At the bottom of the text area are two buttons: 'How to generate passive income' and a blue 'Generate article' button. A blue arrow points from the 'Generate article' button towards the right side of the screen. On the right side of the screenshot, there's a preview of a generated blog post titled 'Tips for Dealing with Restless Nights'. The preview includes a snippet of text about traveling with kids and a section titled 'Planning and Preparation Tips' with a bullet point about making a list of things to do before a trip.

Crea publicaciones de blog optimizadas para búsquedas (SEO) en segundos en función de lo que le indiques
